NOTIFICATIONS BY GOVERNMENT

CHIEF SECRETARIAT

(HOME DEPARTMENT).

Notification dated 29th April 1949.

No. P. 17027—Mily. 197-48-9. A copy of a letter received from the Government of India, Ministry of Defence (Army), No. 4598—S.P.I.-3956-D6(a), dated 2nd April 1949, relating to recruitment to Inter Service Wing Course at the Armed Forces Academy, Dehra Dun, is published for the information of the Public.

11105 K. SRINIVASAN, *Chief. Secy.*

Copy of letter No. 45981—S, P. I. 3956-D. 6(a), dated New Delhi, the 2nd April 1949 from the Joint Secretary to the Government of India, Ministry of Defence (Army), to All Provincial Governments, etc.

SUBJECT: RECRUITMENT TO INTER SERVICE WING COURSE AT THE ARMED FORCES ACADEMY, DEHRA DUN.

I am directed to refer to the Government of India, Ministry of Defence, New Delhi, letters Nos. 43236—A. G. ORG 2(a)—11306-D. 6, dated the 14th December 1948 and 1626-A—D6, dated the 8th February 1949, and to say that the response to the Armed Forces Academy (Inter Service Wing) examination held by the Federal Public Service Commission in January 1949 and the standard of candidates who appeared at the examination has been poor. It would appear that the information and publicity for the course at the Inter Service Wing of the Armed Forces Academy has not penetrated beyond a limited range. The candidates and their parents are probably not in possession of full facts regarding the scope, purpose, the system and the subjects of education at the Armed Forces Academy to enable them to make up their mind. To remedy this, the Government of India have decided to set up in each Military Command a touring team of officers composed of a Lt.-Col. of the Army or his equivalent in the Navy and Air Force and a representative from the R. I. N. and R. I. A. F. of the Rank of Sq. Ldr/Lt. Comd. whose duties would be to tour vigorously, visit Schools and Colleges and to establish personal contact with potential candidates, their parents and those who influence their educational, cultural, social and home life with a view to promoting interest amongst and encouraging young men to elect to go to the Armed Force Academy (Inter Service Wing). They will be in a position to answer questions to remove any doubt or misapprehension that may exist in the minds of the candidates and their guardians.

2. I am to point out that the 3rd course at the Inter Service Wing will commence in January 1950, *vide* Gazette of India, Ministry of Defence, Notification No. 28—E, dated 19th February 1949, for which we are now arranging that applications will be received up to the beginning of June 1949. This leaves only about two months for publicity from April 1949. As the Officers' Touring Teams will have a very arduous task to perform in a very short time, Government of India would request that fullest cooperation, help and guidance may please be extended by your Government to the touring teams, particularly in regard to contact and publicity. Perhaps the Provincial Governments may be able to help the touring teams be detailing with each of them an educationist to work as Liaison Officer. I am to emphasise that it is the declared policy of the Government of India to abolish all class composition in the Armed Forces and to remove any bias as martial or non-martial class. It is up to the Provinces now to encourage their young men to take their share in this honourable profession in the service of the country.

3. It is hoped that these Touring Teams will be in a position to commence their work from the middle of April 1949. In the meantime, it would be appreciated if you could arrange through your Information Department and District Officials to give as much publicity as possible to the Inter Service Wing Course.
